## INSTALLATION PRECAUTIONS

1. Please plan the overall layout before installation to avoid unnecessary waste due to rework.
2. Before installation, please ensure that the wall surface is free of dust, moisture, and grease.
3. Please ensure to measure the wall size and make necessary cuts before installation.
4. Cut along straight lines to achieve a more uniform visual effect.
5. After installation, do not touch the wall surface with sharp objects such as nails or scissors.
